# Washington D.C. SUMMER CAMP

## STEM + Ivy League Colleges Visit + City Tour Program

### Location

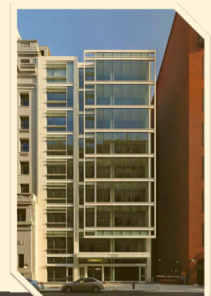

BAU is located right at the political and cultural center of the nation's capital, just two blocks from the White House. BAU is also home to the Global Policy Institute, GPI, ([www.globalpi.org](http://www.globalpi.org)) a highly regarded think tank whose research focuses on energy issues, education, economics, global affairs, and international security. GPI organizes events and panel discussions on a regular basis. All of these activities are open to BAU students.

Our location in downtown Washington, D.C. gives all BAU students easy access to important think-tanks, research organizations, NGOs, key U.S. government agencies, foreign embassies, and leading international institutions (World Bank, International Monetary Fund, Inter-American Development Bank).

### BAU International University Washington DC

- Located in the political and historical heart of the nation
- Executive MBA, Entrepreneurship, Global Affairs, International Law and Economics
- Short Term Certificate Programs such as Cyber Security and Political Communication
- Hosts the Global Policy Institute, a well-known DC think tank

BAU GLOBAL

## Your student will take home:

- Project files

This course is perfect for students wanting a future in Coding, Game Development, or Design.

Onshape Training (STEM+A Summer Camp)

# Summer Program Curriculum

Our Summer program small groups instruction. Instructors will encourage active participation by tailoring different activities to meet student's interests and abilities.

For each new session, up to 8 students are able to register (depending on the number of currently enrolled students in our program). Our Program typically offers either morning classes with afternoon activities or morning activities with afternoon classes

For every 8 students, at least 1 chaperones must accompany them from their home country to help guide them around the city during class activities and support them after school and during the weekends.

## Class Sizes

Depending on the number of students that register for the program, a group of up to 8 – 10 students

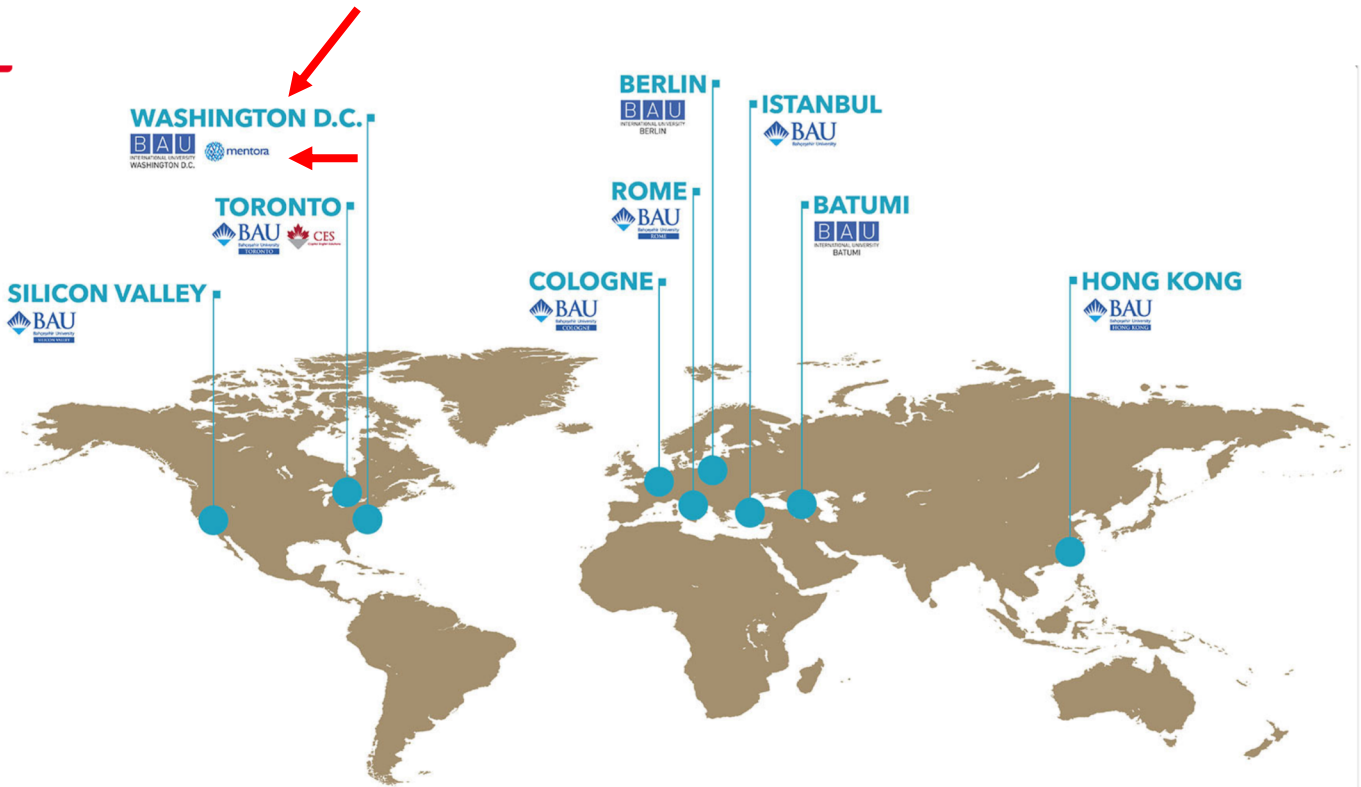

Mount Vernon Field Trip

International Monetary Fund (IMF) Field Trip

# BAU Global

## Student Housing

<https://bau.edu/student-housing/>

## Student Housing

University's affiliated dormitory, Island Condos, is located in a very vibrant and upcoming district. There are many shopping areas, restaurants, quick dining spots, and coffee houses-all within walking distance. Bookstores, art galleries, and pop-up stores are spread throughout the neighborhood, which tenants can explore. The neighborhood is surrounded by public basketball and tennis courts, skate parks, and open parks.
